

Unique Garden Retreats

"Built Unique • Built Yours"

Transform your space into a retreat that's uniquely yours.

Who We Are

At Unique Garden Retreats, we craft bespoke garden buildings—home offices, gyms, cinema rooms, and more—designed around your vision. With a talented design team and seasoned installers, we're here to deliver exactly what you envision.

Why Choose Us

- Bespoke Design: Tailored to your lifestyle—be it work, wellness, or play.
- Quality & Reliability: Committed to high service standards and durability.
- Full-Service: From planning and design to décor and landscaping.

Our Services

1. Project Planning

Guidance with planning applications through our in-house consultant.

2. Room Design & 3D Modelling

Collaborative design experience complete with immersive 3D visuals.

3. Landscaping Services

Complete external finishing—pathways, planting, and styling.

Our Garden Room Range

- The Heyford – Compact workspace ideal for a garden office
- The Bampton – Mid-size gym room to energize your fitness routine
- The Hatfield – Spacious cinema/games room ready for fun
- The Aldbury – Versatile meeting/office room with flexible use

SIP Panels & DIY Kits

Choose from our high-spec panels or full self-build kits:

Panel Thickness (mm)	Price (£)
97	69.99
122	77.99
147	89.99
172	102.99
197	115.99
222	124.99
